The Golden Spruce Trail

#### Golden Spruce Trail, Port Clements Museum, Tlell Galleries

Explore the Port Clements Museum for a walk through Haida Gwaii's pioneer history, continue to the Golden Spruce Tree Trail for an easy hike to view the place where the famous Kiid K'iiyas (Ancient Tree) once towered. In the afternoon, enjoy the art galleries in Tlell.

- \$175/guest, lunch included

#### Hike to the Pezuta Shipwreck

Located in Naikoon Provincial Park, this moderately easy trail covers 10 km (4-hour) round trip, winding itself through coastline forest while following the Tlell River to the ocean and then the shipwreck. During a particularly wicked storm in 1928, the 264' Pezuta came to rest along this long stretch of pebbly sand, known locally for its proliferation of agates. The ship's bow remains intact, listing hard to port, after nearly a century of erosion from the punishing North Pacific's wind and waves.

- \$175/guest, lunch included
