Graham Island – A Two-Day Experience

Haida Gwaii is a land full of scenic wonders, has a unique Indigenous culture, is awe inspiring, energy giving, and life enriching. Once you visit these isolated islands with its vibrant rhythms, varied landscape, and rich heritage that teem with incredible diversity of marine and animal life, you'll understand what makes Haida Gwaii so special.

This two-day experience includes novel ways to explore popular destinations prior to travelling south to Gwaii Haanas National Park Reserve and Haida Heritage Site.

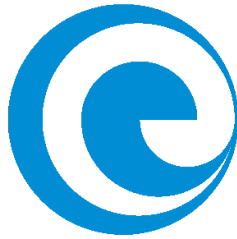

Ocean Edge Expeditions fostered a real sense of community between us and the other guests. This is a lovely way to get to know the land and what is possible. We enjoyed learning about Haida Gwaii while having great conversations and an incredible experience. Would highly recommend this trip as not to be missed!
